

Oberon Scan

About

Welcome to Rise and Shine Wellness Center, where we prioritize your health and vitality through state-of-the-art wellness services. Our hallmark offering is the Oberon Biofeedback Scanner, which meticulously scans your DNA and chromosomes to provide detailed insights into your body's needs, as well as short scan reports. This advanced technology allows us to possibly pinpoint parasites and other wellness issues at the cellular level. We recommend a minimum of four hours per session to ensure thorough analysis and personalized treatment plans. Trust Rise and Shine Wellness Center to guide you on the path to optimal well-being.
