

Oberon Scan

About

Rise and Shine Wellness Center is dedicated to your overall wellness, offering comprehensive services that cater to your holistic health. Our expertise lies in utilizing the Oberon Biofeedback Scanner, a cutting-edge tool that takes three to four hours to thoroughly evaluate your entire body. This advanced technology scans major organs, veins, and the respiratory system via pressure points behind the ears, ensuring a thorough assessment. By identifying possible abnormalities, we provide you with a detailed understanding of your health status. Trust Rise and Shine Wellness Center to help you achieve optimal wellness through precise and personalized care.
